OBJECTIVE

As a Computer Science student actively seeking an internship in a reputable company, bring expertise in Python programming, project organization, and effective task management. Proficient in multitasking and delivering results, excel in collaborative teamwork across diverse departments. Eager to contribute skills and enthusiasm to a dynamic internship opportunity that aligns with commitment to excellence.

EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech.	GITAM UNIVERSITY HYDERABAD	8.66 (Current)	2021-Present
Intermediate	Sri Chaitanya Jr College	94.8%	2021
Schooling	Slate The School	9.2	2019

PROJECTS

• Youtube Summarizer with Elon Musk Persona

- Developed Python script for YouTube video processing, capturing Elon Musk's style for engaging summaries and integrating speech recognition for transcription.
- Implemented AI models for educational summaries, ensuring an enjoyable learning experience without requiring full video consumption.
- Prioritized user engagement by efficiently encapsulating key insights from SpaceX, Tesla, and related ventures led by Elon Musk.

• Image Processing with CNN

- Developed an Image Processing system using Convolutional Neural Networks (CNN).
- Demonstrated the power of deep learning in image recognition, classification, and enhancement.
- Analyzed and manipulated visual data for diverse applications.

SKILLS

- **Programming:** Python, C, Java(Intermediate)
- **Database:** SQL
- **Operating Systems:** Windows, Linux
- **Non Technical:** Leadership, Time Management, Team Management, Communication, Premiere Pro, Davinci Resolve, Film production, Content Writing, Cinematography

CERTIFICATIONS

- **Data Science Methodology:** [Certificate](#)
- **Data Structures:** [Certificate](#)
- **Python Data Structures:** [Certificate](#)
- **TCP/IP and Advanced Topics:** [Certificate](#)

POSITIONS OF RESPONSIBILITY

- **Member/Video Editing Lead**, GDSC Club, GITAM University *2023 - 2024*
 - Served as Video Editing Lead in GDSC, contributing to club activities and its vibrant community.
- **Member/Tech Lead**, Disha Club, GITAM University *2023 - 2024*
 - Demonstrating strong leadership and organizational skills to support student study abroad initiatives.
- **Member/Video Editor**, Kalakriti Club, GITAM University *2023 - 2024*
 - Showcasing creativity and technical proficiency within a prominent college cultural club.

ACHIEVEMENTS

- **Founder, Director|Utsavam film-making productions**, Winner of Best film in Pramana [UTSAVAM](#) *2023*

EXTRACURRICULARS

- **Founder, Director|Utsavam film-making productions**, Founder of Film-making productions
- **Dubbing Artist| TMDAU**, Voice Actor for films and serials
- **Content Creator| Youtuber**, Content making for YT Channel Thanirex
